- Bachelor of Secondary Education (English): 9 × 3 = 27 points
- Continue for all 16 questions

Maximum possible score per course: 1,440 points (16 questions × 10 rating × 9 average weight)

Professional Requirements Context:

All education programs in the Philippines require completion of the **Licensure Examination for Teachers (LET)** and 18 units of professional education courses. This assessment helps identify which specialization aligns with your natural teaching inclinations and developmental preferences.[9] [10]

The questionnaire considers the **Philippine Professional Standards for Teachers**, which emphasize content knowledge, pedagogical skills, and professional competencies across all education programs.[10]
